This 3rd Supplementary Information Memorandum dated 16 October 2023 is supplementary to and has to be read in conjunction with the Replacement Information Memorandum dated 1 May 2020, the 1st Supplementary Information Memorandum dated 12 November 2020 and the 2nd Supplementary Information Memorandum dated 8 June 2023.

1 AMENDMENTS TO SECTION 3.1: General Information of the Fund

The information in relation to the "Date of Deed" disclosed in page 13 of the Replacement Information Memorandum dated 1 May 2020 is hereby deleted in its entirety and substituted with the following:

Date of Deed	Principal deed: 25 November 2013 First supplemental deed: 25 March 2015 Second supplemental deed: 27 April 2020 Third supplemental deed: 9 August 2023	-
---------------------	---	---

2 AMENDMENTS TO SECTION 3.1: General Information of the Fund

The information in relation to "Fund category" disclosed in page 11 of the Replacement Information Memorandum dated 1 May 2020 is hereby deleted in its entirety and substituted with the following:

Fund category	Islamic money market (Wholesale)	-
----------------------	----------------------------------	---

3 AMENDMENTS TO SECTION 5.10: Distribution Policy and Mode of Distribution

The information in relation to the "Distribution Policy and Mode of Distribution" disclosed in page 23 of the Replacement Information Memorandum dated 1 May 2020 is hereby deleted in its entirety and substituted with the following:

Distribution of income* will be on a quarterly basis, subject to the availability of income.

In the event the Fund declares any distributions, Unitholders may opt to receive the distribution in the form of cash or reinvest the distribution in the form of additional Units by selecting the appropriate option in the application form. For Unitholders who opt to receive the distribution in the form of cash, the said income will be credited to the Unitholder's bank account within ten (10) Business Days after distribution date. In the absence of a registered bank account, the distribution (if any) will be re-invested. Payment will not be made to bank accounts in the name of third parties. Whereas for Unitholders who opt for reinvestment, the distribution amount will be reinvested based on the Fund's NAV per Unit computed at the close of the reinvestment date (i.e. the first Business Day following the date of declaration for distributions). There is no charge imposed on distribution reinvestments. Distributions amounting to less than RM250.00 will not be paid out but will instead be automatically reinvested on the reinvestment date.

If the Fund's income available for distribution is too small or insignificant, the Manager may choose not to distribute the income as the distribution may not be beneficial to the Unitholders as the total cost to be incurred in such distribution may be higher than the amount available for distribution. The Manager has the discretion to decide on the amount to be distributed to the Unitholders.

The Manager's current intention is to declare distributions out of the income and/or capital** of the Fund after deducting fees and expenses incurred by the Fund. Income distribution may be declared out of capital** if the Fund does not have sufficient net realized gains or net realized income from

This 3rd Supplementary Information Memorandum dated 16 October 2023 is supplementary to and has to be read in conjunction with the Replacement Information Memorandum dated 1 May 2020, the 1st Supplementary Information Memorandum dated 12 November 2020 and the 2nd Supplementary Information Memorandum dated 8 June 2023.

the current financial year. The rationale for providing for payment of distribution out of capital** is to allow for the ability to provide a stable and consistent level of distribution to Unitholders. Distribution out of capital** carries the risk of eroding the capital of the Fund and as a result the value of future returns may be diminished.

Notes:

* *Income (if any) may be distributed in the form of cash and/or additional Units.*

** *Capital refers to unrealised income or unrealised gain.*

4 INSERTION OF SECTION 6.12: Suspension of Dealing in Units

The information in relation to "Suspension of Dealing in Units" is hereby added immediately after Section 6.11 How and Where Units Can Be Bought and Sold of the Replacement Information Memorandum dated 1 May 2020:

Under exceptional circumstances, having exhausted all other liquidity risk management tools*, the Manager may in consultation with the Trustee and having considered the interest of the Unitholders, suspend the dealing in Units where there is good and sufficient reason to do so. Exceptional circumstances can be considered where the market value or fair value of a material portion of the Fund's asset cannot be determined. The Manager will cease the suspension as soon as practicable after the exceptional circumstances have ceased, and in any event, within twenty-one (21) days from the commencement of suspension.

During the suspension period, the redemption requests from the Unitholders will not be accepted and such redemption requests will only be processed on the next Business Day once the suspension is lifted.

The period of suspension may be extended if the Manager satisfies the Trustee that it is in the best interest of Unitholders for the dealing in Units to remain suspended, subject to a weekly review by the Trustee.

The Trustee may suspend the dealing in Units, if the Trustee, on its own accord, considers that exceptional circumstances have been triggered. In such a case the Trustee must immediately call for a Unitholders' meeting to decide on the next course of action.

* *Please refer to section 4.2 – Specific Risks – Liquidity risk for further details on liquidity risk management tools.*

5 INSERTION OF SECTION 6.13: Fund Valuation and Publication of Prices

The information in relation to "Fund Valuation and Publication of Prices" is hereby added immediately after Section 6.12 Suspension of Dealing in Units:

The NAV per Unit is quoted on a Forward Price basis and can be obtained from the Manager's website at www.hlam.com.my/hlisam/home.

This 3rd Supplementary Information Memorandum dated 16 October 2023 is supplementary to and has to be read in conjunction with the Replacement Information Memorandum dated 1 May 2020, the 1st Supplementary Information Memorandum dated 12 November 2020 and the 2nd Supplementary Information Memorandum dated 8 June 2023.

The valuation of the Fund is conducted on each Business Day at the close of the Bursa Malaysia. Investors should note that the Manager does not accept responsibility for any errors on the part of the publisher on the prices published daily in various major newspapers (if any), or for any non-publication of prices by such publisher and shall incur no liability in respect of any action taken or loss suffered by investors in reliance upon such publications.

6 INSERTION OF SECTION 6.14: Unclaimed Moneys

The information in relation to “Unclaimed Moneys” is hereby added immediately after Section 6.13 Fund Valuation and Publication of Prices:

7 AMENDMENTS TO SECTION 7.5: Annual Management Fee[^]

The information in relation to the “Annual Management Fee[^]” disclosed in page 33 of the Replacement Information Memorandum dated 1 May 2020 is hereby deleted in its entirety and substituted with the following:

The annual management fee is calculated and accrued on a daily basis based on the NAV of the Fund at 0.20% per annum of the Fund’s NAV.

Example:

Assuming the daily NAV of the Fund before deduction of management fee and trustee fee at the valuation point for one particular valuation day is RM90,000,000, then the management fee for that particular valuation day is calculated as below:-

$$\frac{\text{RM90,000,000} \times 0.20\%}{365 \text{ days}^*} = \text{RM493.15 (daily)}$$

Therefore, total management fee for the Fund for that particular valuation day
= RM493.15

** Note: In the event of leap year, the annual management fee will be divided by 366 days*

This 3rd Supplementary Information Memorandum dated 16 October 2023 is supplementary to and has to be read in conjunction with the Replacement Information Memorandum dated 1 May 2020, the 1st Supplementary Information Memorandum dated 12 November 2020 and the 2nd Supplementary Information Memorandum dated 8 June 2023.

8 AMENDMENTS TO SECTION 7.6: Annual Trustee Fee[^]

The information in relation to the “Annual Trustee Fee[^]” disclosed in page 33 of the Replacement Information Memorandum dated 1 May 2020 is hereby deleted in its entirety and substituted with the following:

The annual trustee fee is calculated and accrued on a daily basis based on the NAV of the Fund at up to 0.01% per annum of the Fund’s NAV, subject to a minimum of RM10,000 per annum.

Example:

Assuming the daily NAV of the Fund before deduction of management fee and trustee fee at the valuation point for one particular valuation day is RM90,000,000, then the trustee fee for that particular valuation day is calculated as below:-

$$\frac{\text{RM90,000,000} \times 0.01\%}{365 \text{ days}^*} = \text{RM24.66 (daily)}$$

Therefore, total trustee fee for that particular valuation day

= RM24.66

** Note: In the event of leap year, the annual trustee fee will be divided by 366 days.*

9 AMENDMENTS TO SECTION 7.8: Rebates and Soft Commission

The information in relation to the “Rebates and Soft Commissions” disclosed in pages 34 to 35 of the Replacement Information Memorandum dated 1 May 2020 is hereby deleted in its entirety and substituted with the following:

The Manager, fund manager, Trustee or Trustee’s delegate will not retain any rebate from, or otherwise share in any commission with, any broker or dealer in consideration for directing dealings in the investments of the Fund. Accordingly, any rebate or shared commission will be directed to the account of the Fund.

Notwithstanding the aforesaid, the Manager or the fund manager may retain goods and services by way of soft commissions provided always that (i) the goods and services bring direct benefit or advantage to the management of the Fund and may include research and advisory related services, (ii) any dealing with the broker or dealer is executed on terms which are the most favourable for the Fund and (iii) the availability of soft commissions is not the sole or primary purpose to perform or arrange transactions with such broker or dealer, and the Manager or fund manager shall not enter into unnecessary trades in order to achieve a sufficient volume of transactions to qualify for soft commissions.

4 AMENDMENTS TO SECTION 4.2.: Specific Risks

The information in relation to the liquidity risk which is disclosed in page 19 of the Replacement Information Memorandum dated 1 May 2020 is hereby deleted in its entirety and substituted with the following:

- **Liquidity risk**
Liquidity risk comprises two broad risk types; Market Liquidity Risk and Funding Liquidity Risk. Market Liquidity Risk is defined as the ease with which a Shariah-compliant security can be sold at or near its fair value depending on the trading volume of that security in the market. If the Fund holds a large portfolio of Shariah-compliant securities that are less liquid, the Shariah-compliant securities may have to be sold at unfavourable prices and/or withdraw Islamic deposits placed with financial institutions prior to maturity which would expose the Fund to a higher degree of market liquidity risk. As such any premature withdrawal of Islamic deposits where **profit income may be forfeited or forced sale of the Fund's investment** to meet any shortfall will have adverse impact on the Fund's NAV per Unit and subsequently the value of Unitholders' investments in the Fund.

Funding Liquidity Risk is defined as the risk that the Fund will not be able to meet efficiently both the expected and unexpected current and future cash outflow. The **risk primarily involves the Fund's** inability to meet redemption requests without major distortion to the portfolio allocation.

To mitigate this risk, the Manager will employ prudent liquidity management such as cash flow and redemption monitoring to ensure that the Fund maintains reasonable levels of liquidity to meet any redemption request supplemented by a temporary defensive strategy should adverse conditions prevail. The Manager will apply Liquidity Risk Management tools inclusive of liquidity Stress Test to assess the Fund's viability to meet expected and unexpected redemptions under adverse scenarios.

The Manager may, in consultation with the Trustee, suspend dealing in Units under exceptional circumstances where there is sufficient reason to do so having regard to the interests of the Unitholders in an effort to further curtail the liquidity risk experienced by the Fund.
